## Network News

### The Network will host a Symposium at the AADR Meeting March 20th

Join fellow Network members and practitioners at our symposium held at the 49th Annual Meeting of the American Association for Dental Research (AADR) and 98th session of the International Association for Dental Research (IADR), at the Washington, DC Convention Center on Friday March 20th to discuss the dissemination and implementation of opioid research in practices. Network members who are not AADR members will have the exclusive opportunity to attend the symposium and get a free full day pass to attend the other AADR/IADR activities on Friday, March 20th. [Read more...](#)

### Meet the new members of the Practitioner Executive Committee

The role of the Practitioner Executive Committee (PEC) is to evaluate the feasibility and clinical interest of research topics for protocol development or grant application submission, to review protocols prior to study implementation, and to provide input about study flow and operations in practice. There is one representative from each region, [Read more...](#)

### Network Director to deliver the Distinguished Faculty Lecture

Network Director, Dr. Gregg Gilbert, has been invited to deliver the annual Distinguished Faculty Lecture at UAB, the highest honor bestowed by the Academic Health Center on a faculty member who has advanced the frontiers of science and made outstanding contributions to education, research and public service.
